Reflection of Perfection

On August 11, 1993, we embarked on a new school year with our hearts filled with joy and excitement along with dreams to be fulfilled and hopes to be conquered. We reunited with old friends and found new ones. Everyone returned the same, yet different, because with the new year came a new awareness — awareness of where we have been and where we are headed.

As you take this journey through our book, though, we will only reflect on the good times that we have shared at Kinds GHS because through the good times we have learned to unite as a whole and stand instead of dividing and falling.

Reflection is referred to as the production of an image. This year we have created an image of what it's like being at Kinds GHS — a collage of reflections that carry you through our year as a Kindsonian. This picture-filled array of occurrences on our campus — exemplifies the happy times, the sad times, the enchanting times, and the glorious times, as well as the busy times. The Kinds GHS yearbook staff has taken great pride in selecting a theme for this year's book. As a result, those of us who live in retrospect of 1993-94 wholeheartedly concur with the theme — "Reflection of Perfection."

Students that enter the doorways of Kinds GHS are reflections of great leaders, great doctors, and great opportunists. They strive for perfection in all that they do because perfection is a small part of the illustration of the Kindsonian experience — the total experience.

It is our sincere hope that you will enjoy this year to the fullest. As you gaze through the annual at all of the hard work that you have done to succeed, you should give yourself a hand, for this has truly been a successful year at Kinds. As you browse through the pages of this book, may each precious moment captured in sights or words give a reflection of successful achievements in academics, in sports, in social life, and, most of all, in quality education.

So without further delay — the yearbook staff proudly presents our "Reflection of Perfection."

Each year the Mississippi Economic Council honors the senior scoring the highest on the American College Test (ACT) with a Star-Student Award. This year's recipient of this prestigious award is Kenyetta Killingsworth.

Kenyetta, a native of Utica, is the daughter of Mr. and Mrs. Jessie James Killingsworth. Throughout her education she has received numerous awards. She is involved in organizations such as Who's Who Among American High School Students, National Honor Society, ISB (1993-94 President), F.F.R. (1993-94 President), Majorettes (Captain), Student Government Organizations (1992-93 Vice-President), Newspaper Staff (1992-94 Editor-in-Chief), Annual Staff, JROTC Mixed Drill Team, and the tennis team. She is also a member of the Gifted and Talented class and a recipient of an International Foreign Language Award. Her proudest moments of the year include serving as the second alternate to Miss Kinde AHS 1993-94 and being selected as a Congressional Scholar to represent Mississippi at the 1993-94 National Leadership Conference in Washington, D.C.

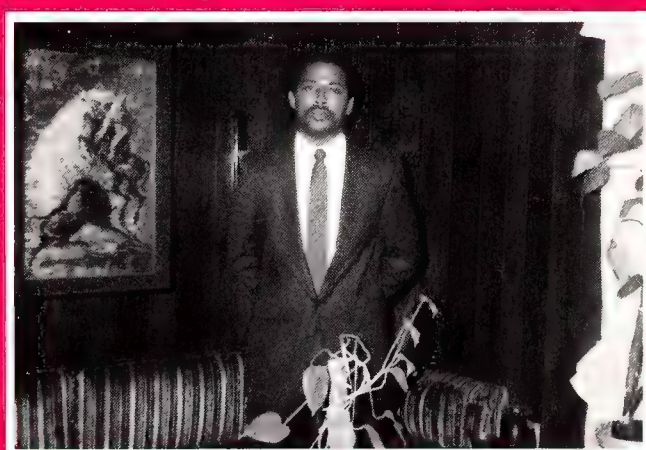

Upon the completion of high school, Kenyetta plans to attend college and pursue a career in computer science, or medicine with an emphasis on AIDS education, awareness, and prevention.

Kenyetta's star teacher is Mr. Roy Mason. Mr. Mason taught Kenyetta at Utica High School, but he is currently employed at Peoples Middle School in Jackson, Mississippi. He received his BA degree from Utica Junior College, his BS and MS from Jackson State University, and is currently working on a specialist degree at Jackson State University. For his outstanding contribution to teaching, Mr. Mason has been chosen twice for the honor of being named to Who's Who Among American Teachers.
